**CDSL e-Voting System – Fore-voting and Joining Virtual meetings.**

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
5. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
6. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
7. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Monday 25th September 2023 at 09.00 AM and ends on Wednesday 27th September 2023 at 5.00 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21st September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT 2013:**Item No.4:**

Pursuant to Section 148 of the Companies Act, 2013 and Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the Company is required to appoint a cost auditor to audit the cost records for the applicable products of the Company. As per the said Rules, remuneration payable to the Cost Auditors is required to be ratified by the members of the Company in the general meeting. The Board of Directors at its meeting held on 27th May 2023, had considered and approved the appointment of M/s. N. Sivashankaran & Co., Cost Accountants, (Firm Reg No. 100662) as the Cost Auditors of the Company for the FY 2023-24 on a remuneration of Rs. 60,000/- (Rs. Sixty Thousand Only) per annum plus applicable Goods & Service tax and out of pocket expenses that may be incurred.

Copies of relevant resolution of the Board of Directors are available for inspection of the members on any working day of the Company between 2.00 p.m. and 4.00 p.m. at the Registered office of the Company. The Board of directors accordingly recommends the resolutions set out in Item No. 4 of the accompanying Notice for the approval of members.

Item No. 5, 6 & 7:

The Members at Annual General Meetings held from time to time had by way of Ordinary Resolutions approved the appointment and remuneration of the following Executive Directors, on the terms and conditions as mentioned therein:

S. No	Name	Term	Date of AGM in which Date of expiration of term ordinary Resolution was passed	Date of expiration of term
1	Mr. Suresh Shah	5 years	03rd September 2021	30th September 2026
2	Mr. Dipesh S Jain	5 years	25thSeptember 2020	24th September 2025
3	Mr. Arun V Shah	5 years	25thSeptember 2020	24th September 2025

At the time of their appointment/re-appointment, the Company had adequate profits and the remuneration paid / payable to above said directors was well within the limits prescribed under the Companies Act, 2013. However, during the last couple of years, the Indian Camphor Industry has been going through a set of unprecedented circumstances and as a result of this industry upheaval, the standalone revenue of the Company dropped to an unforeseen level of Rs. 208.56 Crores and the Net profit of the Company for the financial year 31st March, 2023 has come down to Rs. 14.06 Crores as compared to Net profit of Rs. 30.68 Crores earned during the year 31st March, 2022.

Owing to the above factors, the financial performance of the Company in the financial year ended 31st March, 2023 did not meet expectations. The table below shows the total remuneration paid including excess amount paid to managerial personnel for the financial year ended 31st March, 2023 under Section 197 of the Companies Act, 2013:

S. No	Name	Financial Year	Salary & Perquisites paid	Excess Payment Due to Inadequate Profit
1	Mr. Suresh Shah	2022-23	Rs.99,62,598/-	Rs.34,98,782/-
2	Mr. Dipesh S Jain	2022-23	Rs.1,08,23,786/-	Rs.15,06,322/-
3	Mr. Arun V Shah	2022-23	Rs.60,21,600/-	Rs.14,51,220/-

As a result of the above, the remuneration paid to the Executive Directors for the financial year 2022-23 exceeded the limits specified under Section 197 of the Companies Act, 2013 (the Act) read with Schedule V thereto. Pursuant to Section 197(10) of the Act, the members of the Company can waive the recovery of excess remuneration by passing a special resolution.

The Nomination and Remuneration Committee and the Board of Directors have at their respective meetings held on 11th August, 2023, subject to the approval of the members of the Company, accorded their approvals for waiver of recovery of excess managerial remuneration paid by the Company to above said directors during the financial year 2022-23, in the interest of the Company. The Company has not defaulted in payment of dues to any bank or public financial institution or other secured creditor.

None of the Directors and Key Managerial Personnel of the Company except Mr. Suresh Shah, Mr. Dipesh S Jain, Mr. Arun V Shah and Mrs. Pushpa S Jain are concerned or interested in the resolution mentioned at Item No.5,6 & 7 of the Notice.

Item No. 8:

Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') read with the Company's Policy on Related Party Transactions, effective 01st April 2022, provides that entering into material related party transactions which, either individually or taken together with previous transaction(s) during a financial year, exceed Rs. 1,000 crores or 10% of the annual consolidated turnover of the Company as per the last audited financial statements, whichever is lower, requires approval of the Members of the Company.

The Company, in order to further its business interests, enters into various transactions with its related parties. Amongst these transactions, the estimated value of transactions with Kanchi Agro Product Private Limited (KAPPL), a related party under Regulation 2(1)(zb) of the Listing Regulations, during the financial year 2023-24 is expected to exceed the materiality threshold as stated above. Accordingly, the Board of Directors of the Company ('the Board') at the meeting held on 27th May 2023, on the recommendation of the Audit Committee, recommended for the approval of the Members, entering into material related party transactions with KAPPL during the financial year 2023-24, as set out in the Resolution.

These transactions will be entered in the ordinary course of business and on arm's length basis. Other details of the transactions, pursuant to the SEBI Circular No. SEBI/HO/CFD/ CMD1/CIR/P/2021/662 dated 22nd November 2021, are given hereunder:

S. No.	Particulars	Description
1	Name of the related party	Kanchi Agro Product Private Limited
2	Nature of relationship	Subsidiary Company
3	Nature and material terms of the transaction	Inter Corporate Loan for Business development
4	Tenure of the transaction	FY 2023-24
5	Nature of concern or interest	Financial
6	Value of the transaction	Up to 50 crores
7	Justification as to why the related party transaction is in the interest of the Company	The Audit Committee and the Board of the Company are of the opinion that the arrangements are commercially beneficial to the Company and hence the transactions are in the best interest of the Company
8	Details of valuation or other external party report, if such report has been relied upon	Not Applicable
9	Any other information that may be relevant	Nil

**Annexure 1****MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

We, the Board of Directors, present its analysis covering performance of the Company for the year 2022 - 2023 and the business outlook for the future. The business outlook performance is based on the current business environment and do not include any economic variation.

Industry structure and developments

The Camphor industry is sustaining its growth and is expected to continue in the same pattern. The positive outlook is the increase in demand for Camphor. Your Company's geographical location is a positive factor in the Camphor market. In today's competitive operation, the focus must be on cost reduction. Camphor has various uses, including medicinal, religious, and industrial applications. It is synthesized from turpentine oil.

With advancements in technology, the camphor manufacturing process has become more efficient and standardized. Modern manufacturing techniques have contributed to higher production yields and improved quality control.

Opportunities and Threats

The growth of population in India will lead to more demand and consumption of Camphor for religious purposes. Apart from religious use, Camphor is also being used by the young generation as car and room freshener for its numerous benefits related to air purification. Camphor is commonly used as an antibacterial, antifungal, and anti-inflammatory agent to treat skin conditions, improve respiratory function, and relieve pain. The Company is one of the pioneers in manufacturing synthetic camphor and among largest manufacturers of camphor in India.

Since the main raw materials required are imported, the price factor and the exchange variation may have adverse effect. However, the Company prices its products with due consideration of both the factors. The camphor industry, like many others, is subject to regulatory and environmental considerations. Regulations on the sourcing of raw materials, production processes, and waste disposal have impacted the industry's operations.

Product -wise Performance

The main product, namely Camphor is having progressive sales year after year so as other by-products. The demand for Dipentene which is a by product of Camphor is also increasing year on year. Besides Camphor and its derivatives, Company's products such as Gum rosin and Rosin Derivatives, also enjoy an enviable share in the market.

Outlook

Your Company has a substantial growth potential in terms of marketing of its products which has been so far progressive in the past and the Company looks forward for the same in the years to come.

Risks and Concerns**General risks:**

The Foreign Exchange fluctuations may have adverse effects due as your Company imports huge raw materials.

Operational risks:

Price of the main raw material may have an adverse effect if the demand and supply gap is widen.

Financial risks:

Your Company needs to import raw materials at appropriate time, which warrants sizable works capital with a conscious approach to the degree of risk in terms of procurement of raw material keeping in view of the finance available.

Regulatory and Legal risks:

The Company is exposed to environmental regulations. The Company has adequate system and controls to mitigate various risks.

**Risk management:**

The Company's risk management is based on various risks and proper risks assessment and strategic measures by continuous monitoring the procedural establishment for this purpose which are in line with normal industrial practice.

Internal Control Systems and their adequacy

Your Company has well defined and adequate internal controls and procedures, commensurate with its size and nature of its operations. This is further strengthened by the Internal Audit done concurrently.

Besides, the Company has an Audit Committee, comprising Non-Executive Directors, to monitor its financial systems, controls, management and operations.

Discussion on financial performance with respect to operational performance

Your Company has observed a decrease in the volume in sales. Your Company exercises stringent cost control factors and quality control measures so as to sustain consistent in performance. The Company's turnover was Rs. 20,856.89 Lakh as compared to Rs. 25,351.88 Lakh and has profit after tax Rs. 1,414.65 Lakh as compared to Rs.3,068.01 Lakh profit in the previous year.

Managerial Developments in Human Resources and Industrial Relation

There are no material changes in Human resources front during the year under review.

Number of people Employed: 124

Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations therefore, including:

PARTICULARS	2022-2023	2021-2022
A. Profitability Ratios		
Operating Profit Margin	10.77%	18.24%
Net Profit Margin	6.89%	12.22%

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% and more as compared to the immediately previous financial year) in key financial ratios.

**Ratios where there has been significant change from Financial Year 2021-2022 to Financial Year 2022-2023****Decrease in Profitability Ratio:**

Decrease in Profitability ratios can be attributed to the decline in camphor prices during the year. The fall in prices were the result of increased supply in the camphor industry arising out of capacity expansion of certain competitors without commensurate increase in demand.

Decrease in Fixed Asset Turnover Ratio and Capital Turnover Ratio:

The fall in the price of outputs have adversely affected the revenue from sales resulting in reduced Fixed Asset Turnover Ratio and Capital Turnover Ratio.

Current Ratio and Inventory Turnover Ratio:

During the year, the company had converted the investment made in Immovable property into inventory to start real estate business on that property. Therefore, the inventory includes the cost of inventory in land which would be used for real estate development in future, resulting in an increase in the Current ratio and decrease in Inventory Turnover Ratio.

Debtors Turnover Ratio:

The fall in the Debtors Turnover Ratio is attributable to the decrease in the sale price and the consequent reduction in the revenue.

Cautionary Statement

The Management Discussion and Analysis Report contains forwarding looking statements based upon the data available with the Company, assumptions with regard to global economic conditions, the Government policies etc. The Company cannot guarantee the accuracy of assumptions and perceived performance of the Company in future. Therefore, it is cautioned that the actual results may materially differ from those expressed or implied in the report.

**INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED MARCH 31, 2023****M/s KANCHI KARPOORAM LIMITED****Report on the audit of the Indian Accounting Standards (Ind AS)****Financial Statement****Opinion**

1. We have audited the accompanying Standalone Ind AS financial statements of Kanchi Karpooram Limited ("the Company"), which comprise the balance sheet as at March 31, 2023, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the Profit (including Other Comprehensive Income), the cash flows and the changes in Equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics, as amended, issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics, as amended. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matters	Principal audit procedures
Other bank balances As on 31st March 2023, the Company carries other bank balances of Rs. 1,968.76 Lakh. The amount of other bank balances have been considered a key audit matter given the relative size of the balance in the financial statements.	Our audit procedures included: <ul style="list-style-type: none">• We have tested the design and operating effectiveness of controls with regard to maintenance of cash balances, operation of bank accounts and preparation of bank reconciliation statements.• We have verified the confirmations of balances from the banks directly received by us and we have performed alternate audit procedures where direct confirmation could not be obtained.

**Other information**

5. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the Standalone Financial Statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of management and those charged with governance for the Ind AS financial statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of Ind AS financial statements

8. Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

13. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year was in excess of the limits laid down in Section 197 of the Act to an extent of Rs. 64.55 lakhs. This excess amount has been shown as recoverable from the directors in the Standalone IndAS financial statements of the Company and will be treated as such unless waived by the shareholders in accordance with the Companies Act, 2013.
15. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls with reference to financials statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. There are no pending litigations involving the Company hence disclosure under Rule 11(a) is not applicable.
 - ii. The Company did not have any long-term contracts including derivative contracts on which there were material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations as provided under (a) and (b) above, contain any material misstatement.
 - v. The dividend declared by the Company and paid during the year ending 31st March 2023 is in accordance with Section 123 of Company Act, 2013 to the extent applicable.
 - vi As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 15(f) of the Independent Auditor's Report of even date to the members of Kanchi Karpooram Limited on the Standalone Ind AS financial statements as of and for the year ended March 31, 2023.

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to financial statements of Kanchi Karpooram Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations

of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**ANNEXURE-B TO INDEPENDENT AUDITORS' REPORT**

Referred to in paragraph 13 of the Independent Auditor's Report of even date to the members of Kanchi Karpooram Limited on the Standalone Ind AS financial statements as of and for the year ended March 31, 2023

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - a. (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of property, plant and equipment, investment property and relevant details of right-of-use assets.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - b. As explained to us, the property, plant and equipment, investment property and right-of-use assets are physically verified by the Management at reasonable intervals; no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us and based on the examination of the documents provided to us, we report that the title deeds of all the immovable properties of land and buildings as disclosed in the Standalone Ind AS financial statements are held in the name of the Company as at the Balance Sheet date.
 - d. The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - e. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - a. The Management has conducted physical verification of inventory at reasonable intervals. In our opinion, the coverage and procedure of such verification is appropriate. No discrepancies of 10% or more in aggregate for each class of inventory were noticed on such physical verification.
 - b. The Company did not have working capital limits in excess of Rupees five crores in aggregate from banks / or financial institutions during the year on the basis of security of the current assets of the Company. Hence reporting under clause ii(b) is not applicable.
- iii.
 - a. During the year the Company has made investment in and provided unsecured loans to a Company. The Company has not provided any guarantee or security to any other company, firms, Limited Liability Partnerships or any other parties. Hence, the disclosure under clause iii(a) is as below –

B. Aggregate amount of loans given to entities other than subsidiaries, associates and joint ventures	150	NIL

- b. The Company has not provided guarantees or security to Companies, Firms, Limited Liability Partnerships or any other parties, the investments made and the loans granted by the Companies are not prejudicial to the interests of the Company.
- c. The loans granted by the Company were in the nature of loans repayable on demand. The Company has not demanded such loans during the year. Having regard to the fact that the repayment of principal or payment of interest has not been demanded by the Company, in our opinion the repayments of principal amounts and receipts of interest are regular in respect of the said loans.
- d. There are no overdues in respect of loans or advances in nature of loans granted by the Company.
- e. There were no loans or advances in nature of loans that fell due during the year. Hence reporting under clause 3(iii) (e) of the Order is not applicable to the Company
- f. Reporting as required under clause 3(iii) (f) is as below –

Aggregate amount of loans repayable on demand as on March 31, 2023 (Rs. Lakhs)	2,190.70
Percentage of the above on total loans	98%
Aggregate amount of loans granted to promoters and related parties as defined in clause (76) of section 2 of the Companies Act, 2013	2,190.70

- iv. The Company has not issued any guarantee or security as covered under Section 185 or 186 of the Companies Act, 2013. The loans given by the Company and the Investment made by the Company are in compliance with the provisions of Section 186 and 185 of the Companies Act, 2013.
- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. According to the information and explanations given to us and based on our audit procedures, we report that:
- a) the Company is regular in depositing with the appropriate authorities the undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Customs Duty, Excise Duty, Cess, Goods and Service Tax to the appropriate authorities, as applicable. There were no undisputed amounts payable which were in arrears as at 31st March 2023 for a period of more than six months from the date they become payable.
- b) the Company has no disputed dues of Income Tax, Goods and Service Tax, Sales Tax, Excise Duty, Customs Duty and Value Added Tax which have not been deposited as on 31st March 2023.
- viii. The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3 (viii) of the Order is not applicable to the Company.
- ix. a. According to the records of the Company examined by us and the information and explanation given to us, the Company has not obtained any borrowing facility during the year. Hence reporting under clause (ix) is not applicable to the Company.
- b. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

- c. The Company had not obtained any term loans during the year, hence the reporting under clause ix (c) is not applicable to the Company.
- d. On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long term purposes by the Company.
- e. The Company did not have any associate or joint venture during the year ending 31st March 2023. The Company did not take any funds from any entity or person on account of or to meet the obligations of its Subsidiary.
- f. The Company did not have any associate or joint venture during the year ending 31st March 2023. The Company has not raised any moneys on pledge of securities held in its subsidiary.
- x. a. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) during the year. Accordingly, reporting under clause (x) (a) of the Order is not applicable.
b. On an overall examination of the financial statements, we report that the Company has not made any preferential allotment or private placement of shares or convertible debentures during the year. Accordingly, reporting under clause (x) (b) of the Order is not applicable.
- xi. a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
b. During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor / secretarial auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
c. There were no whistle blower complaints received by the Company during the year.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. In our opinion, the Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the Ind AS financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.
- xiv. a. In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
b. We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date.
- xv. According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with the director or persons connected with them as referred to in Section 192 of the Companies Act, 2013.
- xvi. a. According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.
b. The Company has not conducted any non-banking or housing finance activities.
c. The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3 (xvi) (c) of the Order is not applicable.
d. There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3 (xvi) (d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year.

- xviii. There has been no resignation of statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable.
- xix. On the basis of ratios disclosed in the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the meetings of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts upto the date of the audit report and we neither given any guarantee nor any assurance that all liabilities falling due withing one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (i) There are no unspent amounts other than in respect of ongoing projects that are required to be transferred to a fund specified in Schedule VII of the Companies Act, 2013 within a period of six months from the expiry of the financial year, in compliance with Section 135 of the Act. Hence reporting under clause xx(i) is not applicable to the Company.
- (ii) The unspent amount in respect of ongoing projects have been transferred to a special account in accordance with sub-section (5) of Section 135 of Companies Act, 2013.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Note 1: Company Overview

Kanchi Karpooram Limited (“the Company”) was incorporated on 31st January 1992. It is a public limited company incorporated and domiciled in India whose shares are publicly traded. The registered office is located at Parandur Road, Enathur village, Karapettai Post, Kanchipuram – 631552, Tamilnadu, India. The Company manufactures Camphor and allied products. The Company has its manufacturing Plant at Kanchipuram in Tamil Nadu.

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (“Ind AS”) notified by the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time. Accordingly, the financial statements for the year ended 31st March 2023 are prepared as per IND AS financial statements. The financial statements for the year ended 31st March 2023 were authorized and approved for issue by the Board of Directors on 27th May, 2023.

Note 2: Summary of Significant Accounting Policies

2.1 Basis of Preparation

The financial statements comply in all material aspects with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

2.2 Use of Estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

2.3 Significant Estimates and Judgments

The areas involving critical estimates are:

- Estimation of fair value of financial assets and liabilities (Refer Note 33 to the Accounts)
- Estimation of useful life of Property, Plant and Equipment (Refer Note 2.7 below)
- Valuation of defined benefit obligations – (Refer Note 2.11 to the accounts)
- Estimation of income tax provision for the year

The management has exercised its judgement in assessing whether a present obligation arising from the past events would result in outflow of resources embodying economic benefits.

2.4 Revenue Recognition

Sale of products:

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services. The Company considers indicators for assessing the transfer of control, including:

- (a) The entity has a present right to payment for the assets
- (b) The customer has legal title to the asset

- (c) The entity has transferred physical possession of the asset
- (d) The customer has the significant risks and rewards of ownership of the asset
- (e) The customer has accepted the asset

The Company earns revenue primarily from sale of Camphor and allied products. Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component. The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations.

Dividend, interest and other income

- Dividend income from investments is recognized when the right to receive payment has been established
- Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable in line with the effective interest rate method.
- Rental income is accounted on straight line basis over the term of the relevant lease.
- Insurance claims are accounted on the basis of claims admitted or expected to admitted and to the extent that there is no uncertainty in receiving the claims
- Export benefits are accounted in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.5 Property, Plant and Equipment

Freehold Land and all other items of Property, Plant and Equipment are stated at deemed cost on transition IndAS or cost of acquisition, as applicable less accumulated depreciation / amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overheads incurred upto the date the asset is ready for its intended use. However, cost excludes Excise Duty, Value Added Tax and Service Tax / GST, to the extent credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred. Gains and losses on disposals are determined by comparing proceeds with carrying amount and recognized in Statement of Profit and Loss.

2.6 Investment Property

Investment properties are measured at cost of acquisition less accumulated depreciation/ amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overheads incurred upto the date the asset is ready for its intended use. However, cost excludes Excise Duty, Value Added Tax and Service Tax / GST, to the extent credit of the duty or tax is availed of.

Investment properties are properties held to earn rentals and/or capital appreciation. Depreciation on investment property is calculated based on useful life estimated valuation report issued by a chartered engineer.

2.7 Depreciation and Amortization

Depreciation on tangible fixed assets is provided over the estimated useful life of the asset or part of the asset, on straight line method, in accordance with Part A of Schedule II to the Companies Act, 2013. Residual value is considered upto five per cent of the cost of assets.

The assets' residual values, estimated useful lives and depreciation method are reviewed at the end of each reporting period.

Gains and losses on disposal are determined by comparing proceeds with carrying amount and are credited/ debited to the Statement of Profit and loss.

The useful lives of various classes of property, plant and equity are as provided below:

Class of Asset	Useful Life
Electrical Installation	10
Buildings	30
Plant and Equipment	8
Furniture and Fixtures	10
Vehicles	8-20
Lab Equipment	10
Air Conditioners	5
Office Equipment	5
Computer	3

Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

On assets added / disposed during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.

2.8 Intangible Assets

Intangible assets acquired are recorded at their acquisition cost and are amortized on straight line basis over its useful life of 3 years.

2.9 Inventories

- Raw materials, stores and spares are valued at cost under First-In-First-Out (FIFO) method or net realizable value whichever is lower.
- Finished goods are valued at cost (including applicable overheads) or net realizable value, whichever is lower
- Work-in-progress is valued at lower of cost and net-realizable value. Cost is calculated as material cost plus appropriate portion of overheads.

2.10 Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows and are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

2.11 Employee Benefits

(i) Short term obligations:

Liabilities for wages, salaries and bonuses, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current liabilities in the balance sheet.

**(ii) Post-employment obligations:****a) Provident Fund and pension:**

Provident Fund and pension benefits are defined contribution plans under which the Company pays fixed contribution into funds established under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The Company has no legal or constructive obligations to pay further contributions after the payment of the fixed contribution. Contributions due to the provident fund are recognized as an expense on monthly basis.

b) Gratuity:

The Company has a defined benefit gratuity plan funded with Life Insurance Corporation of India, covering eligible employees. The scheme provides for lump sum payment to vested employees at retirement, death while in employment or in termination of employment. The company obligation towards gratuity is valued at the date of each balance sheet with the help of an actuary using projected unit credit method and considered accordingly in the books of accounts.

(iii) Other long-term employee benefit obligations:**a) Leave encashment:**

The company allows accumulation of leave and encashment thereof based on its policy for eligible employees. The company's obligation towards leaves that could be carried over by employees beyond 12 months from the date of the balance sheet is valued on with the help of an actuary using the projected unit credit method and considered accordingly in the books of accounts.

2.12 Taxes on Income

Income tax expense represents the sum of the current tax and deferred tax.

a) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that are enacted and applicable for the reporting period. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

b) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities. Accordingly, the deferred tax assets and liabilities that were recognized during the previous reporting periods are remeasured using the tax rates enacted or substantively enacted as at the reporting date.

c) Current and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

2.13 Leases

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities predominantly include the net present value of the fixed lease payments and other components of lease payments where applicable.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognized on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

2.14 Functional and presentation currency and Foreign Currency Transactions

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

2.15 Earnings per Share

The Company presents basic and diluted earnings per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.16 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The Company is principally engaged in a single business segment, viz., manufacture and sale of Camphor and allied products.

2.17 Provisions, Contingent Liabilities and Contingent Assets

a) Provision

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

b) Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because

- It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- The amount of the obligation cannot be measured with sufficient reliability.

c) Contingent Asset

Contingent assets are not recognized but are disclosed only where an inflow of economic benefits is probable.

2.18 Current and Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification. Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.19 Financial instruments

(a) Recognition:

Financial assets and financial liabilities are recognized when a company entity becomes a party to the contractual provisions of the instruments.

(b) Classification of financial instruments

The Company classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

(c) Measurement

(i) Initial Recognition:

At Initial recognition, the Company measures a financial asset at its fair value plus transaction cost (in the case of a financial asset not a fair value through profit or loss) that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit or loss.

(ii) Subsequent measurement:

- **Debt Instruments**

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments.

- **Amortized Cost**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship

is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- Fair Value through profit and loss statement

Assets that do not meet the criteria for amortized cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at Fair Value Through Profit or Loss (FVTPL). A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognized in profit or loss and presented in the statement of profit and loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

• Equity Instruments

The Company subsequently measures all investments in equity (except of the subsidiaries/associate) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit or loss as other income when the Company's right to receive payments is established.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately.

Where the Company elects to measure fair value through profit and loss, changes in the fair value of such financial assets are recognized in the statement of profit and loss.

(d) Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Expense is recognized on an effective interest basis for debt instruments other than those financial liabilities classified as at FVTPL. Interest expense is recognized in profit or loss and is included in the 'finance cost' line item.

(e) Impairment of financial assets

The Company applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivables, trade receivables, and other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Company estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

**(f) De-recognition of financial assets and financial liabilities**

The Company de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

2.20 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts/cash credits. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.21 Key sources of estimation uncertainty

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key assumption concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is as given below.

a) Estimation of long term and post employment benefits

The Company engages the services of an actuary to compute the present value of its defined benefit obligations in respect of compensated absences and gratuity payable to its employees. The estimation involves use of assumptions and inputs such as life expectancy, attrition rate, salary increment rate etc.

b) Useful life of Property, Plant & Equipments and Intangible Assets

The Company reviews the estimated useful lives of Property, plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.

c) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgment and the use of estimates regarding the outcome of future events.

d) Deferred Tax Assets

The recognition of deferred tax assets requires assessment of whether it is probable that sufficient future taxable profits will be available against which deferred tax assets can be utilized. The Company reviews at each balance sheet the carrying amount of deferred tax asset if any.

e) Income tax provision:

The company provides for income tax expenditure in respect of the year taking into consideration the applicable income tax laws which include usage of conclusions drawn from precedents pronounced by various fora. The actual income tax expense may undergo a change upon completion of tax audit or assessment by tax authorities and the resultant expense/credit is accounted as and when it arises.

32 Financial risk management

The company is exposed to risks in the form of Market Risk, Liquidity Risk and Credit Risk. The risk management activities of the company are monitored by the board of directors. The nature and extent of risks have been disclosed in this note.

a. Market Risk:

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

i) Currency Risk:

If a Company has receivable and payables denominated in currency other than INR it exposes the company to currency risk. As on 31st March 2023, the Company is not exposure to any material currency risks.

ii) Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company has no significant exposure to interest rate risk as it had repaid all its borrowings during the year.

**iii) Equity Price Risk:**

The Company does not have any exposure to equity price risk as it is not holding any investment in securities in the nature of equity instruments.

b. Liquidity Risk:

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The company has obtained fund and non-fund based working capital limits from various bankers which is used to manage the liquidity position and meet obligations on time.

Credit Risk:

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The management evaluates the credit risk of individual financial assets at each reporting date. An expected credit loss is recognized if the credit risk has increased significantly since the initial recognition of the financial instrument. In general, the company assumes that there has been a significant increase in credit risk since initial recognition if the amounts are 30 days past due from the initial or extended due date. However, in specific cases the credit risk is not assessed to be significant even if the asset is due beyond a period of 30 days depending on the credit history of the customer with the company and business relation with the customer. A default on a financial asset is when the counter party fails to make contractual payments within 1 year from the date they fall due from the initial or extended due date. The definition of default is adopted given the industry in which the entity operates.

Credit categorization and Exposure:

Grade	Description	Extent of loss recognized
A	High Quality Asset, the risk of default is negligible or nil	12 month expected Credit Loss
B	Standard Asset, the risk of default is low and the counterparty has sufficient financial strength to meet the obligations	12 month expected Credit Loss
C	Low Quality Asset, the risk of default is considerable and there has been a significant increase in the credit risk since initial recognition	Life Time Expected Credit Losses
D	Possibility of recovery is negligible and the asset is written off	Asset is written off

33 Fair values

The fair value of the financial assets and financial liabilities is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. During the year 2021-22, the company did not have any financial instrument that was measured at fair value on recurring basis.

i) Fair value measurement hierarchy is as follows:

- Level 1 item of fair valuation is based on market price quotation at each reporting date
- Level 2 item of fair valuation is based on significant observable input like PV of future cash flows, MTM valuation, etc.
- Level 3 item of fair valuation is based upon significant unobservable inputs where valuation is done by independent value.

ii) The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial assets and are considered to be the same as their fair values, due to their short-term nature.

iii) The fair values of financial assets and liabilities measured at amortized cost are approximate their carrying amount.

iv) For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Ratio	Reason for change
Current ratio and inventory turnover ratio	During the year, the company had converted the investment made in immoveable property into inventory to start real estate business on that property. Therefore, the inventory includes the cost of inventory in land which would be used for real estate development in future, resulting in an increase in the current ratio and decrease in inventory turnover ratio.
Return on Equity, Net Profit Ratio and Return on capital employed	Decrease in profitability ratios can be attributed to the decline in camphor prices during the year. The fall in prices were the result of increased supply in the camphor industry arising out of capacity expansion of certain competitors without commensurate increase in demand.
Trade Receivable turnover ratio	Increase in credit period and reduction in sales
Trade Payable turnover ratio	Variations in input prices and changes in credit period

30th Annual Report 2022-2023

Consolidated Financial Statements for the year ended 31st March 2023

Consolidated Financial Statements for the year ended 31st March 2023

**INDEPENDENT AUDITOR'S REPORT FOR THE YEAR ENDED MARCH 31, 2023****M/s KANCHI KARPOORAM LIMITED****Report on the audit of the Indian Accounting Standards (Ind AS)
Financial Statement****Opinion**

1. We have audited the Consolidated IndAS Financial Statements of Kanchi Karpooram Limited ("the Parent Company") and its subsidiary (the Parent Company and its subsidiary together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at 31st March 2023, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and Notes to the Consolidated Financial Statements, including a summary of the Significant Accounting Policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2023, the consolidated profit, the consolidated total comprehensive income, the consolidated changes in Equity, and its consolidated cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

S.No	Key Audit Matters	Principal audit procedures
1.	<p>Other bank balances</p> <p>As on 31st March 2023, the Company carries other bank balances of Rs. 1,968.76 Lakh. The amount of other bank balances have been considered a key audit matter given the relative size of the balance in the financial statements.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • We have tested the design and operating effectiveness of controls with regard to maintenance of cash balances, operation of bank accounts and preparation of bank reconciliation statements. • We have verified the confirmations of balances from the banks directly received by us and we have performed alternate audit procedures where direct confirmation could not be obtained.

**Information other than the Consolidated Financial Statements and Auditor's report thereon**

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the Consolidated Financial Statements and our auditor's report thereon. The Group's annual report is expected to be made available to us after the date of this auditor's report.
6. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Management's responsibility for the Consolidated Financial Statements

8. The Parent Company's Board of Directors are responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group, in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act.
9. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group, and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent Company, as aforesaid.
10. In preparing the Consolidated Financial Statements, the respective Boards of Directors of the Companies included in the Group, are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective board of directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
11. The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of each company.

Auditor's responsibilities for the audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.
13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

**Consolidated Financial Statements for the year ended 31st March 2023**

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements, in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
 - Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

17. The financial results of one subsidiary included in the consolidated financial statements reflecting total assets of Rs. 2,204.01 lakhs, total income of Rs. 1,450.72 lakhs, total net loss after tax of Rs. 125.82 lakhs for the year ended March 31, 2023 before consolidation adjustments was audited by us.
18. Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

19. As required by Section 143(3) of the Act, based on our audit of the Parent Company and the separate financial statements of the subsidiary incorporated in India referred to in the Other Matters section above we report, to the extent applicable that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the Consolidated Financial Statements
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books.

**Consolidated Financial Statements for the year ended 31st March 2023**

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the Directors of the Parent Company as on 31st March 2023, taken on record by the Board of Directors of the Parent Company and Directors of subsidiary company incorporated in India taken on record by their respective Board of Directors, none of the Directors of the Group, is disqualified as on 31st March 2023 from being appointed as a Director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent and subsidiary company audited by us. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent Company to its Directors during the year was in excess of the limits laid down in Section 197 of the Act to an extent of Rs. 64.55 lakhs. This excess amount has been shown as recoverable from the Parent Company's directors in the Consolidated Financial Statements of the Group and will be treated as such unless waived by the shareholders of the Parent Company in accordance with the Companies Act, 2013.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group does not have any pending litigation. Hence, reporting requirement under Rule 11(a) is not applicable.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Parent Company and its subsidiary.
- (i) i. The management of the Parent Company represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent Company or its subsidiary company incorporated in India to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent Company or any of its subsidiary companies incorporated in India ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- ii. The management of the Parent Company represented that, to the best of their knowledge and belief, no funds have been received by the Parent Company or its subsidiary company incorporated in India from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Parent Company or its subsidiary company incorporated in India shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT FOR THE YEAR ENDED 31ST MARCH 2023

(Referred to in paragraph 19 (f) under “Report on Other Legal and Regulatory Requirements” section of our report to the Members of Kanchi Karpooram Limited of even date)

Report on the Internal Financial Controls with reference to financial statements under Section 143(3)(i) of the Companies Act, 2013 (“ the Act”)

In conjunction with our audit of the Ind AS Consolidated Financial Statements of the Company as of and for the year ended 31st March 2023, we have audited the internal financial controls with reference to financial statements of Kanchi Karpooram Limited (“the Company”) and its subsidiary entities.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary, which are companies incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls with reference to financial statements, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were in place and if such controls were operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence. we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company’s internal financial controls with reference to financial statements are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements includes those policies and procedures that

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

**Consolidated Financial Statements for the year ended 31st March 2023**

- c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Parent Company and its subsidiary have, in all material respects, adequate internal financial controls with reference to the financial statements and such internal financial controls were operating effectively as at 31st March 2023, based on the internal control with reference to financial statements criteria established by the Company and its subsidiary, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Note 1: Group Overview

Kanchi Karpooram Limited (“the Company”) and its subsidiaries collectively known as the “Group” are engaged in the business of manufacture and sale of camphor/allied products and in trading of agro products. The camphor manufacturing facility of the Group is located in Kanchipuram in Tamil Nadu.

The consolidated financial statements of the company have been prepared in accordance with the Indian Accounting Standards (“IndAS”) as notified and amended from time to time under section 133 of Companies Act, 2013. These financials have been approved by the Board of Directors in their meeting held on May 27, 2023.

Note 2: Summary of Significant Accounting Policies

2.1 Basis of Preparation

The Consolidated financial statements comply in all material aspects with Indian Accounting Standards (“Ind AS”) notified under Section 133 of the Companies Act, 2013 (“the Act”) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The Consolidated financial statements have been prepared on the historical cost convention under accrual basis of accounting except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

2.2 Use of Estimates

The preparation of Consolidated financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the Consolidated financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future period.

2.3 Significant Estimates and Judgments

The areas involving critical estimates are:

- Estimation of fair value of financial assets and liabilities (Refer Note 33 to the Accounts)
- Estimation of useful life of Property, Plant and Equipment (Refer Note 2.7 below)
- Valuation of defined benefit obligations – (Refer Note 2.11 to the accounts)
- Estimation of income tax provision for the year

The management has exercised its judgement in assessing whether a present obligation arising from the past events would result in outflow of resources embodying economic benefits.

2.4 Revenue Recognition

Sale of products:

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services. The Group considers indicators for assessing the transfer of control, including:

- (a) The entity has a present right to payment for the assets
- (b) The customer has legal title to the asset
- (c) The entity has transferred physical possession of the asset
- (d) The customer has the significant risks and rewards of ownership of the asset
- (e) The customer has accepted the asset

**Consolidated Financial Statements for the year ended 31st March 2023**

The Group earns revenue primarily from sale of Camphor and allied products. Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component. The Group's contracts with customers do not provide for any right to returns, refunds or similar obligations.

Dividend, interest and other income

- Dividend income from investments is recognized when the right to receive payment has been established
- Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable in line with the effective interest rate method.
- Rental income is accounted on straight line basis over the term of the relevant lease.
- Insurance claims are accounted on the basis of claims admitted or expected to admitted and to the extent that there is no uncertainty in receiving the claims
- Export benefits are accounted in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.5 Property, Plant and Equipment

Freehold Land and all other items of Property, Plant and Equipment are stated at deemed cost on transition to IndAS or cost of acquisition, as applicable less accumulated depreciation / amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overheads incurred upto the date the asset is ready for its intended use. However, cost excludes Excise Duty, Value Added Tax and Service Tax / GST, to the extent credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as separate asset is derecognized when replaced. All other repairs and maintenance are charged to Profit or Loss during the reporting period in which they are incurred. Gains and losses on disposals are determined by comparing proceeds with carrying amount and recognized in Statement of Profit and Loss.

2.6 Investment Property

Investment properties are measured at cost of acquisition less accumulated depreciation/ amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overheads incurred upto the date the asset is ready for its intended use. However, cost excludes Excise Duty, Value Added Tax and Service Tax / GST, to the extent credit of the duty or tax is availed of.

Investment properties are properties held to earn rentals and/or capital appreciation. Depreciation on investment property is calculated based on useful life estimated valuation report issued by a chartered engineer.

2.7 Depreciation and Amortization

Depreciation on tangible fixed assets is provided over the estimated useful life of the asset or part of the asset, on straight line method, in accordance with Part A of Schedule II to the Companies Act, 2013. Residual value is considered upto five per cent of the cost of assets.

The assets' residual values, estimated useful lives and depreciation method are reviewed at the end of each reporting period.

Gains and losses on disposal are determined by comparing proceeds with carrying amount and are credited/ debited to the Statement of Profit and loss.

**Consolidated Financial Statements for the year ended 31st March 2023**

The useful lives of various classes of property, plant and equity are as provided below:

Class of Asset	Useful Life
Electrical Installation	10
Buildings	30
Plant and Equipment	8
Furniture and Fixtures	10
Vehicles	8-20
Lab Equipment	10
Air Conditioners	5
Office Equipment	5
Computer	3

Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

On assets added / disposed during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.

2.8 Intangible Assets

Intangible assets acquired are recorded at their acquisition cost and are amortized on straight line basis over its useful life of 3 years.

2.9 Inventories

- a) Raw materials, stores and spares are valued at cost under First-In-First-Out (FIFO) method or net realizable value whichever is lower.
- b) Finished goods are valued at cost (including applicable overheads) or net realizable value, whichever is lower
- c) Work-in-progress is valued at lower of cost and net-realizable value. Cost is calculated as material cost plus appropriate portion of overheads.
- (d) Stock-in-Trade is valued at Cost or NRV whichever is less using specific Identification method.

2.10 Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows and are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

2.11 Employee Benefits**(i) Short term obligations:**

Liabilities for wages, salaries and bonuses, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services upto the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current liabilities in the balance sheet.

**(ii) Post-employment obligations:****a) Provident Fund and pension:**

Provident Fund and pension benefits are defined contribution plans under which the Group pays fixed contribution into funds established under the Employees' Provident Fund and Miscellaneous Provisions Act, 1952. The Group has no legal or constructive obligations to pay further contributions after the payment of the fixed contribution. Contributions due to the provident fund are recognized as an expense on monthly basis.

b) Gratuity:

The Group has a defined benefit gratuity plan funded with Life Insurance Corporation of India, covering eligible employees. The scheme provides for lump sum payment to vested employees at retirement, death while in employment or in termination of employment. The Group obligation towards gratuity is valued at the date of each balance sheet with the help of an actuary using projected unit credit method and considered accordingly in the books of accounts.

(iii) Other long-term employee benefit obligations:**a) Leave encashment:**

The Group allows accumulation of leave and encashment thereof based on its policy for eligible employees. The Group's obligation towards leaves that could be carried over by employees beyond 12 months from the date of the balance sheet is valued on with the help of an actuary using the projected unit credit method and considered accordingly in the books of accounts.

2.12 Taxes on Income

Income tax expense represents the sum of the current tax and deferred tax.

a) Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that are enacted and applicable for the reporting period. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

b) Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

**Consolidated Financial Statements for the year ended 31st March 2023**

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities. Accordingly, the deferred tax assets and liabilities that were recognized during the previous reporting periods are remeasured using the tax rates enacted or substantively enacted as at the reporting date.

c) Current and deferred tax for the year

Current and deferred tax are recognized in the Statement of Profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

2.13 Leases

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities predominantly include the net present value of the fixed lease payments and other components of lease payments where applicable.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the Group, the lessee's incremental borrowing rate is used.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognized on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

2.14 Functional and presentation currency and Foreign Currency Transactions

Items included in the Consolidated financial statements of the Group are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The Consolidated financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Group.

In preparing the Consolidated financial statements of the Group, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated

Exchange differences on monetary items are recognized in profit or loss in the period in which they arise.

2.15 Earnings per Share

The Group presents basic and diluted earnings per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.16 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker. The Group is principally engaged in two business segments, viz., (i) Manufacture and sale of Camphor and Allied Products and (ii) Trading in Agro Products

2.17 Provisions, Contingent Liabilities and Contingent Assets

a) Provision

A provision is recorded when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognized as interest expenses.

b) Contingent Liabilities

Wherever there is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because

- It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
- The amount of the obligation cannot be measured with sufficient reliability.

c) Contingent Asset

Contingent assets are not recognized but are disclosed only where an inflow of economic benefits is probable.

2.18 Current and Non-Current Classification

The Group presents assets and liabilities in the balance sheet based on current / non-current classification. Cash or cash equivalent is treated as current, unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. In respect of other assets, it is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when:

- It is expected to be settled in the normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or

**Consolidated Financial Statements for the year ended 31st March 2023**

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

2.19 Financial instruments**(a) Recognition:**

Financial assets and financial liabilities are recognized when a Group entity becomes a party to the contractual provisions of the instruments.

(b) Classification of financial instruments

The Group classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

(c) Measurement**(i) Initial Recognition:**

At Initial recognition, the Group measures a financial asset at its fair value plus transaction cost (in the case of a financial asset not a fair value through profit or loss) that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit or loss.

(ii) Subsequent measurement:

- Debt Instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Group classifies its debt instruments.

- Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- Fair Value through profit and loss statement

Assets that do not meet the criteria for amortized cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at Fair Value Through Profit or Loss (FVTPL). A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognized in profit or loss and presented in the statement of profit and loss within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in other income.

- Equity Instruments

The Group subsequently measures all investments in equity (except of the subsidiaries/associate) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognized in profit or loss as other income when the Group's right to receive payments is established.

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately.

Where the Group elects to measure fair value through profit and loss, changes in the fair value of such financial assets are recognized in the statement of profit and loss.

(d) Effective interest method

The effective interest method is a method of calculating the amortized cost of a debt instrument and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Expense is recognized on an effective interest basis for debt instruments other than those financial liabilities classified as at FVTPL. Interest expense is recognized in profit or loss and is included in the 'finance cost' line item.

(e) Impairment of financial assets

The Group applies the expected credit loss model for recognizing impairment loss on financial assets measured at amortized cost, lease receivables, trade receivables, and other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate (or credit-adjusted effective interest rate for purchased or originated credit-impaired financial assets). The Group estimates cash flows by considering all contractual terms of the financial instrument through the expected life of that financial instrument.

For trade receivables, the Group measures the loss allowance at an amount equal to lifetime expected credit losses.

(f) De-recognition of financial assets and financial liabilities

The Group de-recognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognized in other comprehensive income and accumulated in equity is recognized in profit or loss if such gain or loss would have otherwise been recognized in profit or loss on disposal of that financial asset.

The Group de-recognizes financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

2.20 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts/cash credits. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2.21 Key sources of estimation uncertainty

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key assumption concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is as given below.

a) Estimation of long term and post employment benefits

The Group engages the services of an actuary to compute the present value of its defined benefit obligations in respect of compensated absences and gratuity payable to its employees. The estimation involves use of assumptions and inputs such as life expectancy, attrition rate, salary increment rate etc.

b) Useful life of Property, Plant & Equipments and Intangible Assets

The Group reviews the estimated useful lives of Property, plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.

c) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgment and the use of estimates regarding the outcome of future events.

d) Deferred Tax Assets

The recognition of deferred tax assets requires assessment of whether it is probable that sufficient future taxable profits will be available against which deferred tax assets can be utilized. The Group reviews at each balance sheet the carrying amount of deferred tax asset if any.

e) Income tax provision:

The Group provides for income tax expenditure in respect of the year taking into consideration the applicable income tax laws which include usage of conclusions drawn from precedents pronounced by various fora. The actual income tax expense may undergo a change upon completion of tax audit or assessment by tax authorities and the resultant expense/credit is accounted as and when it arises.

31 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Basic Earnings per Share

Particulars	31st March 2023
Profit for the year (Rs. In Lakh)	1,342.48
Weighted average number of Equity shares for EPS	43,43,891
Basic Earnings per Share Rs.	30.91

Diluted earnings per share Rs.	30.91

32 Capital management

The Company's objective of capital management is to maximise the return to its shareholders through optimal mix of debt and equity.

The Company determines the amount of capital required on the basis of annual and long-term operating plans. The funding requirements are currently met through equity. The Company monitors the capital structure on an ongoing basis.

The following table summarises the capital of the Company:

Rs. in Lakh

Sl.No.	Particulars	As at 31 March 2023

33 Financial risk management

The company is exposed to risks in the form of Market Risk, Liquidity Risk and Credit Risk. The risk management activities of the company are monitored by the board of directors. The nature and extent of risks have been disclosed in this note.

a. Market Risk:

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

**Consolidated Financial Statements for the year ended 31st March 2023****i) Currency Risk:**

If a Company has receivable and payables denominated in currency other than INR it exposes the company to currency risk. As on 31st March 2023, the Company is not exposure to any material currency risks.

ii) Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company has no significant exposure to interest rate risk as it had repaid all its borrowings during the year.

iii) Equity Price Risk:

The Company does not have any exposure to equity price risk as it is not holding any investment in securities in the nature of equity instruments.

b. Liquidity Risk:

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The company has obtained fund and non-fund based working capital limits from various bankers which is used to manage the liquidity position and meet obligations on time.

Maturity Analysis of Non-Derivative Financial Liabilities:

Lease obligation	7.64	54.32	-	61.96
Other financial liabilities	311.86	-	-	311.86

Credit Risk:

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The management evaluates the credit risk of individual financial assets at each reporting date. An expected credit loss is recognized if the credit risk has increased significantly since the initial recognition of the financial instrument. In general, the company assumes that there has been a significant increase in credit risk since initial recognition if the amounts are 30 days past due from the initial or extended due date. However, in specific cases the credit risk is not assessed to be significant even if the asset is due beyond a period of 30 days depending on the credit history of the customer with the company and business relation with the customer. A default on a financial asset is when the counter party fails to make contractual payments within 1 year from the date they fall due from the initial or extended due date. The definition of default is adopted given the industry in which the entity operates.

Credit categorization and Exposure:

Grade	Description	Extent of loss recognized
A	High Quality Asset, the risk of default is negligible or nil	12 month expected Credit Loss
B	Standard Asset, the risk of default is low and the counterparty has sufficient financial strength to meet the obligations	12 month expected Credit Loss
C	Low Quality Asset, the risk of default is considerable and there has been a significant increase in the credit risk since initial recognition	Life Time Expected Credit Losses
D	Possibility of recovery is negligible and the asset is written off	Asset is written off

34 Fair values

The fair value of the financial assets and financial liabilities is the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. During the year 2021-22, the company did not have any financial instrument that was measured at fair value on recurring basis

- i) Fair value measurement hierarchy is as follows:
 - a) Level 1 item of fair valuation is based on market price quotation at each reporting date
 - b) Level 2 item of fair valuation is based on significant observable input like PV of future cash flows, MTM valuation, etc.
 - c) Level 3 item of fair valuation is based upon significant unobservable inputs where valuation is done by independent value.
- ii) The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other current financial assets and are considered to be the same as their fair values, due to their short-term nature.
- (iii) The fair values of financial assets and liabilities measured at amortized cost are approximate their carrying amount.
- (iv) For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

40. RATIOS

RATIOS	Numerator	Denominator	2022-23
Current Ratio (Times)	Current assets	Current liabilities	23.29
Debt-Equity Ratio (Times)	Gross total borrowings	Equity share capital + Other equity	-
Debt Service Coverage Ratio (Times)	Net operating Income	Interest paid + Principal repayments for borrowings	-
Return on Equity Ratio (%)	Profit / (loss) after tax	Average Total Equity	13.08%
Inventory turnover ratio (Times)	Cost of goods sold	Average Inventory	4.14
Trade Receivables turnover ratio (Times)	Revenue from Operations	Average Trade Receivable	18.38
Trade payables turnover ratio (Times)	Net credit Purchases	Average Trade Payable	283.42
Net capital turnover ratio (times)	Revenue from Operations	Working Capital	1.64
Net profit ratio (%)	Profit / (loss) after tax	Revenue from operations	5.86%
Return on Capital employed (%)	"Profit before tax, Finance Costs and Other Income"	Total Assets- Current Liabilities	0.08
Return on investment (%)	Investment Income	Average Investment	4.73%

Ratio	Reason for change
Current ratio and inventory turnover ratio	During the year, the company had converted the investment made in immoveable property into inventory to start real estate business on that property. Therefore, the inventory includes the cost of inventory in land which would be used for real estate development in future, resulting in an increase in the current ratio and decrease in inventory turnover ratio.
Return on Equity, Net Profit Ratio and Return on capital employed	Decrease in profitability ratios can be attributed to the decline in camphor prices during the year. The fall in prices were the result of increased supply in the camphor industry arising out of capacity expansion of certain competitors without commensurate increase in demand.
Trade Receivable turnover ratio	Increase in credit period and reduction in sales
Trade Payable turnover ratio	Variations in input prices and changes in credit period
